GENERAL INFORMATION

The Council High Adventure Committee is concerned about the individual needs and the Unit's individual evaluation of the Scout for whom this request is made.

Generally, camperships are limited to program fees and travel costs. Each Scout, his family, or his unit should provide a minimum of 50% of the activity cost.

Camperships are not transferable or refundable and have no cash value.

Applications must be submitted no later than **MARCH 31, 2017 for all Boy Scouts.** Applications received after these dates will be reviewed but may not be granted due to limited funds.

All information in this application will be treated confidentially.

Notice of Award

If awarded, a campership notification letter will be sent to the parent of the scout. Letters will be mailed by the second week in April, 2017. We desire that all camperships be awarded with a minimum of publicity. Campership monies are applied directly to the units' billing statement if a council contingent. A scout attending a National High Adventure program will be issued a check directly for the campership amount.

No promise should be made to the applicant that they will receive a campership award. Please notify the Camping Assistant immediately should a campership recipient not attend camp, so the award can be re-distributed.

INSTRUCTIONS

Please read all instructions and completely fill in all spaces. Do not include any additional paper.

CAMPERSHIP REQUEST

Please list the amount requested including costs provided by the family and unit. Specific consideration will be given to those that include amounts of need, and not just the maximum amount allowable.

The ninth part of the Scout Law is "A Scout is THRIFTY." A Scout works to pay his own way. The Council High Adventure Committee is very interested in what the Scout has done to assist his family in providing him with this camping experience. This is a character building opportunity for the Scout to learn the importance of being THRIFTY.

FAMILY INFORMATION

Briefly, describe the general circumstances that require campership assistance for the child to attend camp.

UNIT ENDORSEMENT

This area is extremely valuable to the Council High Adventure Committee. Failure of the Unit to provide this endorsement may result in the application being denied or delayed until further information can be obtained.

Information should be provided in this area as to the Scout's participation in the unit fundraising activities like popcorn sales.

In many cases, the unit will be aware of the financial need of the Scout. Confirmation of this fact or further explanation is helpful. Do not merely repeat information already provided.

LETTER FROM SCOUT

Scouts will need to describe on one-page their reason for wanting to attend the respective high adventure program and attach it to this campership form.

In keeping with the policies of the Boy Scouts of America, the rules for acceptance and participation in camp programs are the same for everyone without regard to race, sex, creed, color, national origin, age or physical limitation.
